## **TWP APRIL – OCTOBER 2010 SCREENPLAY CONTEST FINALISTS**

The Writers Place (TWP) is pleased to announce the finalists of the April through October 2010 screenplay contest. To say the least, we received many finely-crafted scripts during this contest timeframe – which, in turn, made the selection extremely difficult. We anticipate the selection process for the upcoming winners and honorable mentions to be equally as demanding. That said, and in the opinion of our readers, the following scripts excelled:

### **TELEPLAY/SHORT SCREENPLAYS**

Myla Lichtman-Fields – The Tomato Lady

Jeffrey Palmer – Worm

Matthew Sussex – Unemployment

Robert Ferraz – The Dealers

Roger Edwards – Karma Sutra

Congratulations and good luck to our finalists. To all contestants who were not selected for finalist standing, do not become disheartened. **KEEP WRITING!**
